About Us

We, Maruti Sales Corporation, have gained immense popularity in the market by effectively meeting the customer's requirement. Our manufacturer and trader enterprise has been growing at a tremendous rate since its inauguration. The products we supply including Sodium Bisulphate Powder, Ferrous Sulphate Powder, Potassium Nitrate Powder, Nitric Acid, Sodium Hypochlorite etc that are appropriate in their chemical composition. Before manufacturing any product we carry out in-depth research so that an effective product range can be produced. We incorporated our company with the mission to offer the finest grade products at industry leading rates to our customers. Following this, we employed knowledgeable squad who work round the clock to make sure that the entire range adheres to global quality standards. With their out of the box ideas, intense hard work and modern outlook, our company has developed a strong bond with clients and is leading the respective industry.

Maruti Sales Corporation is a Vadodara, Gujarat, India based company which is serving customers since 2006. We are dealing with products like Washing Soda, Washing Soda Powder, Hypochloric Acid, Acid Slurry Labsa, Amino Liquid Acid, Caustic Soda Flakes, Caustic Soda Lye etc. The entire range manufactured by using high-quality compounds that are tested by professionals. Mr. Mitesh, the owner of our company is excellently handling all the team with his excellent leadership qualities. The support of our professionals is helping our company to meet the expectations of the customers and serve them in the best possible manner. We are focused to make our clients happy and increase our customer base as well on the basis of excellence in every aspect.
